**ORDER SETTING TELEPHONIC STATUS CONFERENCE**

During an August 14, 2012 scheduling conference, counsel for the parties agreed to engage in one month of initial documentary discovery in the hope that such discovery may lead to a mutually agreeable settlement. The court informed the parties that it would delay entering a final scheduling order in the case and would schedule a telephonic status conference to determine whether the initial discovery proved fruitful. Accordingly,

IT IS ORDERED that counsel for the parties are DIRECTED to participate in a telephonic status conference on **September 19, 2012, at 11:00 a.m.** The court will initiate the call.
